ಆಲ್ಲ. ಹಳೆಯ ಆಕ್ಟ್ ಜಾರಿಗೆ ಕೊಡಬೇಕು. ಆದ್ದರಿಂದ ದಯವಿಟ್ಟು ಇದನ್ನು ತಾವು ಅಂಗೀಕಾರ ಮಾಡಬೇಕೆಂದು ನಾನು ಕೇಳಿಕೊಳ್ಳುತ್ತೇನೆ.

ಕರ್ನಾಟಕ ಬಾಡಿಗೆ ನಿಯಂತ್ರಣ (ಪೂರ್ವಾನ್ವಯದಿಂದ ಅವಧಿ ವಿಸ್ತರಣೆ) ವಿಧೇಯಕ 1993 ಪರ್ಯಾಲೋಚನಾ ಪ್ರಸ್ತಾವ

SRI. R.V. DESHPANDE (Leader of Opposition) : The Hon'ble Revenue Minister has introduced the Karnataka Rent Control (Retrospective Extension of Duration) Bill, 1993. The Hon'ble Minister has tried to cover up the lapse of either getting the extension or bringing an Ordinance before 31st December, 1992. The reasonings given are not sound nor are they convincing. If only shows the negligence on the part of the Officers. It also shows the Government's lapse. Of course, I understand the Difficulty of the Minister. It is difficult for a Minister to knows which Bill lapses on what date. But What about your Law Department? What about your Revenue Department? The senior Officers, the competent officers, what were they doing? The reasoning given by you is that after 4th December because the Assembly was summoned, this Bill cound not have been brought. What happened to do it before the 4th? Nobody stopped you. There was no estoppel. It only shows that the Government machinery is still not functioning in the right direction. I would have been very happy if the Hon'ble Minister would have pulled up the officers, taken action againt them and then intorduced this Bill. I would have admired him because this should not be a certificate to the officers or this should not be a precedent. Tomorrow there may be a lapse of otner Bill and hence the officers will take protection.
